

# KENT COUNTY CONSERVATION LEAGUE Sportsman

SKEET • TRAP • RIFLE • PISTOL • SPORTING CLAYS • 5-STAND • ARCHERY

## From the Manager....

Starting in June, we will be open on Wednesdays again. Our hours on Wednesdays will be from 3 pm-8 pm. Wednesdays are also the practice day for our SCTP team so there will be limited fields for shooting skeet, trap, and 5-Stand. The sporting clays, rifle and pistol ranges will be open as usual though. We will also be running our Steel Challenge in the training range on Wednesdays, which starts at 7 pm. In addition, our summer hours will be changing in June, which means we will be closing at 9 instead of 10 on Tuesdays and Thursdays.

Thank You  
James VanderLaan

## Hunter Safety Instructors

KCCL is still looking for a few members interested in running the Hunter Safety program at the club. We would like to be able to provide 2 hunter safety classes per year. Ideally we would like around 5 people on a hunter safety committee to organize and run these classes. Already being certified as a hunter safety instructor is a plus, but if you are not, we are willing to help get you certified if you're interested. If you are interested please contact Doug Brown.
