

# KENT COUNTY CONSERVATION LEAGUE Sportsman

SKEET • TRAP • RIFLE • PISTOL • SPORTING CLAYS • 5-STAND • ARCHERY

## From the Manager....

Summer League is officially underway, but it is not too late to sign up! Summer League shooters must have 4 lines of each event in by August 30th, and then have the rest of September to shoot their last 4. 5-Stand participants can only shoot 4 lines in August, as there will be a different course set for the second half of the League. We will have an awards banquet on October 16th for the League participants. For more information on the League, see the flyer on the back of the newsletter.

Our grounds keeper has been putting a lot of time into maintaining the club drive. Please watch your speed on your way in and out of the club. We have sporting clays shooters and staff members who also use the drive to get out to the clays course and around the property. There is also plenty of wildlife crossing the road throughout the day. Please share the road respectfully.

Thank You,  
James VanderLaan
