From the Manager....

Thank you to all of our generous members who have already donated to our Capital Building Fund Campaign. We are trying to raise enough money to do some pretty significant upgrades to your club. Our hopes are to be able to RAISE enough funds to do as much as possible to continue to grow and keep our 5-star Rating that we all worked so hard to get. I am asking all members to find it in their hearts to give to the Capital Building Fund Campaign to help us reach our goals. Remember, we are trying to do this for all of you to make a better place to come and enjoy. If anyone has any questions or concerns please DO NOT hesitate to call. I would appreciate all questions and concerns to be directed to me personally so I can answer them. 616-581-0471 or info@kccl.org

Thank You,
Tim

Newly Updated Sporting Clays Course

Come out and shoot our new, fun, but challenging Sporting Clays Course. All new stations. We now have 11 stations with 4 of them being elevated. We are running a SPECIAL in August. 100 Targets for just \$35. If you would like to add a cart the cost is \$43.50

Winter League Trophies

Our winter league trophies are finally in. If you are out here please pick your trophy up. Again, sorry for the delay.

International Skeet

Ever wanted to shoot Olympic style skeet? We are going to have a field set up on Sunday, August 28th for the day. Come out and see if you can shoot like the Olympic Athletes. For those who do not know what International skeet is – The target is sped up to 75 mph, there could be a delay up to 3 seconds on your call for pull, and you need to shoot from the waist. Let's see how our members would score.

SCTP Kids – Nationals Results

We took 24 kids to Cardinal Shooting Center for a week of practice and shooting Skeet and Sporting Clays Competition. There were over 2200 kids from 34 different states shooting skeet, sporting clays, and trap. We shot 200 Sporting Clay targets and 200 Skeet targets. Our Collegiate Sporting Clay Team of Logan Wilcox, Hunter Brander, and Tyler Moore shot a 506/600 taking 3rd place. Also, our Intermediate Advance Sporting Clay team of Jake Lotterman, Soren Hanson, and Jadon Butler shot a 460/600 giving them a win for 5th place. Our Collegiate Skeet Team of Brett Belrose, Logan Wilcox and Hunter Brander shot a 579/600 which was good enough to be Crowned National Champions. (which is the 3rd year in a row for them). Our Intermediate Advance Skeet Team of Jake Lotterman, Soren Hanson, and Jadon Butler shot a 575/600. That team was also Crowned National Champions. (which was their second year in a row). All of the kids shot great. A lot of good competition out there. We had many kids shoot their personal best with Jacob Hults shooting his 1st registered 50 straight in skeet and Ethan Meyer shooting his first 100 straight in skeet. We as coaches are very proud of all shooters and are very excited for the next season. The kids would also like to thank all the members and club for their support and donations.
