The magazine goes from Oct. thru May. The cost is \$3.75 per kid with 10 or more. The board decided they would be willing to sponsor Good Willy School. Pat will check on how many students in the school. Motion was passed to sponsor Good Willy school – funds up to 75 students at \$3.75 up to \$300. Passed unanimously.

Minutes from previous month approved.

Finance:

Worked out payment plan with IRS to pay FUTA Taxes. We were paying the wrong percentage in the past. Will take a couple of months to get results on penalties.

Motion was made, seconded and voted on to approve hiring Sarah and Norris Accounting as our accounting services. Passed unanimously.

Finance Committee will have 2018 budget ready in October for November Board Meeting.

Presidents/Manager Report: Called and left message for Armen Kassouni to go over his concerns. Outings – gave out a list of outings to all BOD members. June 10th is SCI Membership Appreciation Day. A big Thank You to Joe Pedersen for allowing KCCL to host this event. Open to all members and family. It will be a lot of fun for everyone – Come out it's all free. We have tickets to sell for this day! Over \$40,000 worth of prizes. 3/\$50 or 10/\$100. Anyone would like some tickets let us know.

Membership went down about 20 members. 2 big corporate memberships paid in April last year that were due in May so the numbers were higher than they were supposed to be.

Payment Alliance is tied in with the NRA. They have called to inquire with us to go with them for our credit card processing. They are saying it would save us about \$8000 a year. Sara will be checking into; Adam Nelson will also be checking in to it also.

Applied for the line of credit and were approved. Just waiting to sign the papers. Also, extended the loan on the new room for 31 months.

We bought 2 traps for spares when we need them. They are single stacks.

Talked about someday updating the sporting clays to the wi card system. Needs to be put in the budget. Tim was asked to put something in writing on the wi card and adding a 3rd trap to each station to be able to have a Hunters course and a tournament course.

P&L for April will be on Tim's door.

Some ideas that were tossed around about keeping up on our safety around the club. We do have a safety officer up at the rifle range volunteering on Sundays for now.

Everyone needs to watch the safety video before shooting. Need to figure out a way to have all existing members watch the safety videos. New members – we will need to make a video for them to watch. We are trying to do everything we can to continue our safety.

Motion to adjourn at 9:35pm.

Bring in your dad, grandpa, son, grandson and save \$2.00 a line on 50 Sporting Clays.

Cost will be \$18 for 50. Treat him to a delicious lunch from the Shooters' Grill. We also, have golf carts available for rent. If you are looking for the perfect Father's Day gift for your favorite shooter we have **gift cards** available for purchase.
