

# KENT COUNTY CONSERVATION LEAGUE Sportsman

SKEET • TRAP • RIFLE • PISTOL • SPORTING CLAYS • 5-STAND • ARCHERY

## From the Manager....

As February begins, the 2021 KCCL Winter League continues to ramp up. Week 5 begins this week, and we are working on classing all the Skeet and Trap shooters, along with working on finalizing the teams. If you see any discrepancies in scores or team members listed, please email us at [info@kccl.org](mailto:info@kccl.org), or see Jacob at the front desk.

I know many of you have expressed concerns over the ammunition shortage - that has now spread to the shotgun shells. We are doing everything we can to get ammunition in stock and available to you. While we will not be selling full cases of shotgun shells at this time, be assured that we have shotgun ammunition available by the box behind the counter. As soon as we have a surplus of shotgun ammunition, we will have cases available for purchase again.

Thank You,  
James VanderLaan
