Grandpa's gun in the corner collecting dust is nasty, taking it to the range and blowing rounds through it is **DOUBLE NASTY!** This shooting event brings back the nostalgia of growing up in Michigan, where everyone hunted, and no gun was left behind. Grab your piece – from modern to antique; step to the line and become part of the dream cruise of guns!

For top shooters, competition is encouraged by enhancing the scores of older guns and smaller gauges. The scoring is divided into 6 categories; with the purse paid to the winner's charity of choice. See <http://ggrdu.com/events.html> for the 2021 Rules and Enhanced Scoring Matrix.

Raffle prizes include jewelry, gift certificates, and sporting equipment.

The drawing starts at 5:30 on Saturday via ZOOM, your presence is not required to win.
