

From the Manager

Dear Valued KCCL Members,

Winter League is now complete, and I couldn't be happier with the way it played out. I invite all of those who participated to join us at the Banquet on April 22. There will be door prizes and a good time for all who attend. This is a great way to recognize those who dedicated themselves and worked hard over the last 12 weeks. There is more information below, and I hope to see you there!

As many of you know, prices for Skeet, Trap, 5-Stand, and Sporting Clays will increase this month. This was not an easy decision for any involved; however, as cost of targets increase, we must raise the price as well. I ask that everyone please respect this choice as we continue to work on the betterment of the club. There is more information outlining the new pricing below and posted throughout the Clubhouse.

The arrival of spring brings us the poor condition of the road. We understand that this is frustrating and hard on vehicles, but we are continuously working on maintaining it. Please be sure to take it slow, so that our efforts aren't going to waste. If we all do our part, we hope that the road doesn't continue to be an issue throughout the summer.

Best wishes,
Mark DeKam
KCCL Manager

BOD OFFICERS

President: James Widdis
Vice President: Carol Seacord
Chairman Of the Board: David Held
Co-Chairman: Open
Treasurer: Open
Secretary: Open
Manager: Mark DeKam

Terms ending April of 2023:

Mark Jacobson
Larry Mennetti
Jim Widdis

Terms ending April of 2024:

David Held
Scott Treichel

GET TO KNOW YOUR MEMBERS!

We created this segment of the newsletter to allow members to get to know each other and learn a little bit about the people we see hanging around the clubhouse on a regular basis! This month we had the opportunity to chat with Pete Humphreys!

QUESTION: How old were you when you started shooting?

PETE HUMPHREYS: "I was a young boy. We started out with pellet guns, moving up to .22's, and finally graduating to shotguns and wing shooting. I started shooting around 12 or 13 years old. My dad found a cheap Russian 20-gauge side by side, cut three inches off the stock, and had the chokes opened to skeet. Gun safety was relentlessly drilled from a young age. When I finally earned the trust of my old man, I started shooting the 20-gauge at easy clays with very soft shells."

QUESTION: What got you interested in the shooting sport?

PETE HUMPHREYS: "My dad. He was an avid outdoors man and passionate wing shooter. He was the vice principal at our high school but on the side, he was an outdoor writer. He wrote a weekly column in the Shooting Times Magazine. His first article was published in the early 1970's. He wrote many books on country life and field sports. He was especially passionate about hunting ducks and geese. He owned a huge double 8 gauge called "Roaring Emma". It had 4 1/4 inch chambers, weighed 17lbs and shot 3 oz's of BB from each barrel. He loved shooting geese with this gun. 8 gauge is still a legal gun to use in the UK. I was lucky to grow up with a father who shared his love of shot gun shooting and fishing. I didn't shoot many clays growing up. We learnt the sport shooting wood pigeons and rabbits for the table. "

QUESTION: How long have you been a member at KCCL?

PETE HUMPHREYS: "I was a member originally back in 2000 for several years. I remember the old sporting clays course that went up onto the ridge. I took a very long break and joined again about 3 years ago."

QUESTION: How is your shooting career currently going?

PETE HUMPHREYS: "It's going ok. I punched up to B class end of last season in Sporting Clays. I have worked hard and dedicated a lot of time and money to try and improve. I've made some good progress, but it's been a long journey. The mental aspect of the sport is the most challenging for me now. I'm working hard to improve this."

QUESTION: What is your favorite clay sport to shoot?

PETE HUMPHREYS: "Sporting clays, 5-stand, and FITASC."

QUESTION: What's something that gets you excited about coming to the club?

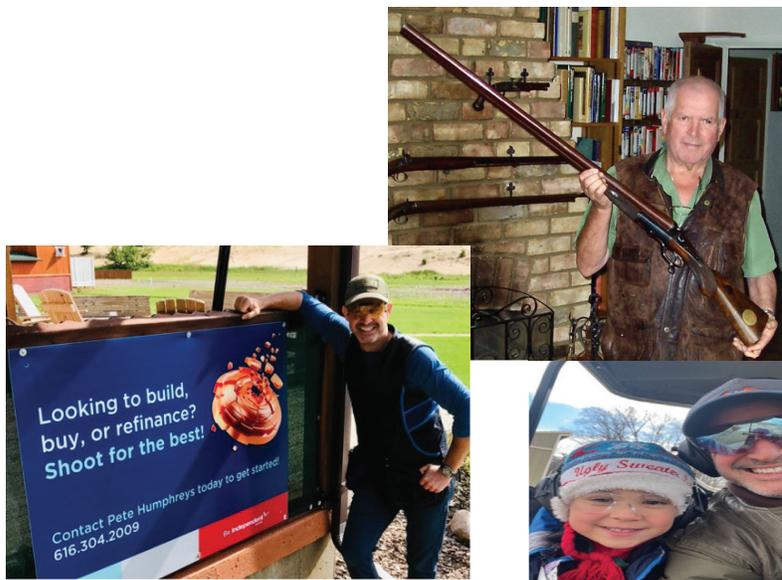

PETE HUMPHREYS: "Shooting with the friends I've made at the club. Practicing certain types of targets that I need to improve. I enjoy the competition with other shooters. I'm extremely excited about our new manager Mark and the improvements being made to the club. I'm especially excited to shoot the sporting clays course now we have removed trees and have new machines that can throw great targets. It's so fun to shoot the new and improved course."

QUESTION: What are you hoping to see happen at the club in 2022?

PETE HUMPHREYS: "Continued growth and improvements to the sporting clays shooting. Mark just returned from a sporting clay target setting clinic in Texas. I can't wait to see him put his new talents to work. Sporting is the future of clay shooting and I hoping to see Kent CC establish itself as premier sporting clay location. I look forward to seeing the club continue to improve its balance sheet and have the funds to keep growing. Switching the club over to a card reader system for all target disciplines should be a priority for 2022. This will secure the clubs profitability and longevity."

QUESTION: How do you feel about the direction the club is heading in and more specifically, what are your thoughts on the improvements being made to the Sporting Clays course?

PETE HUMPHREYS: "I think the club is heading in a good direction. If you stop and think about how far it's come in the last 12 months. Mark has done a great job. Managing a member owned gun club can be a thankless task and it takes thick skin, hard work and a lot of patience. We are extremely lucky to have an active chairman in Jim Widdis. He works quietly and tirelessly behind the scenes, and he should be thanked for his tremendous effort and commitment to the club's future success. Our goal should be to introduce every member to the sporting clays game. We have 4 machines on each station with a dedicated menu for newer shooters and a second menu for more experienced guns. If we introduce our members to the fun of shooting the varied and challenging presentations we see on the sporting clays course, our future as a club will be rosy and bright. If you enjoy the 5-stand, you will love shooting sporting clays. I would ask every member to please give the sporting course a try with an open mind. See you out there!"

CAUTION!

Please drive carefully when on the club driveway. The drive can quickly become hazardous as the weather turns. Please watch out for Sporting Clays shooters coming and going from the course.

Do you have feedback, suggestions, or an article for this newsletter?
Send an email to info@kccl.org

Dear Members,

Each year, with your support, the Orange Crushers team teaches kids and young adults about the shooting sports, fosters their love of the sport and, in some cases, opens doors to scholarships and college careers!

This year we are blessed with THIRTY EIGHT young men and women who come out to learn and grow on Wednesdays and compete on weekends against other teams from all over the state. Your support of our team, both through the 100 Club and other fundraisers throughout the year has been nothing short of amazing and more than appreciated.

As with many things in the past couple of years, the cost of our sport has grown. Because of that we are asking for your help – and hopefully it is an easy task – with no additional cost to you.

Spartan Nash Grocery Stores run a fund-raising program available to clubs with 501(c)(3) designations. “Direct Your Dollars” is a program that allows clubs to collect receipts from all Spartan Nash grocery stores and gas stations and submit the receipts for cash!

What we are asking of you – if you shop at Spartan Nash Grocery Stores (attached list shows all participating stores/locations in Michigan), please, keep your receipt. If you buy gas or snacks and coffee at a Spartan Nash gas station, pay for your fuel and goodies inside and save that receipt too! For each receipt the Orange Crushers receive, it will be added into the bucket to go towards a total! Once we have hit \$150,000 in saved receipts, we can submit those receipts to Spartan Nash, and they will give us \$1000 that will go directly to benefit the Orange Crushers.

(For more information, see their website at www.spartannash.com/direct-your-dollars)

There is a lock box at the club, on the front counter where you can submit your receipts – all you have to do is drop the receipt in the box, the rest will be done by a team of volunteers who keep track of the total saved and fill out the forms that are required.

If you are not regularly at the club, that is ok – we ask that you throw your receipts in an envelope and mail them to KCCL and put Orange Crushers on the outside of the envelope!

If you have any questions or concerns regarding the fundraising or this program, please feel free to contact Heather Held at 616-723-2512. She will be collecting our receipts and keeping track of how much we have total.

As I have said over and over again, we could not do any of this without the support of our wonderful members! Thank you for everything you do to make our team the best it can be!

Regards,

David Held – head coach
