From the Manager

Dear KCCL Members,

Since steak night was such a big success last month we decided to bring it back this month too: Thursday, June 9th. We also have Big Ear coming in to make custom-molded earplugs for you that same day! You must sign up for a time slot and specify which color you would like. Time slots begin at 12:30pm and there are plenty of spots still available. Sign up at the front desk or call us to set up a time. There is more information posted throughout the Clubhouse as well.

There are registered Skeet and Sporting Clays shoots coming up this month. I would love to see maximum participation from our members for these shoots, so please check the calendar on subsequent pages or visit the website for dates and times. I hope to see you there!

I am super excited for the Summer League events this year! The official start is Sunday, June 12th – more info below.

Best wishes,
Mark DeKam
KCCL Manager

GET TO KNOW YOUR MEMBERS!

We created this segment of the newsletter to allow members to get to know each other and learn a little bit about the people we see hanging around the clubhouse on a regular basis! This month we had the opportunity to chat with Mr. Bill Melvin!

QUESTION: How old were you when you started shooting?

BILL MELVIN: "6 years old"

QUESTION: What got you interested in the shooting sport?

BILL MELVIN: "Everyone in my family hunted and had guns in their hands all the time"

QUESTION: How long have you been a member at KCCL?

BILL MELVIN: "I've been a member since 1993."

QUESTION: How is your shooting career currently going?

BILL MELVIN: "It's going okay"

QUESTION: What is your favorite clay sport to shoot?

BILL MELVIN: "Skeet and sporting clays"

QUESTION: What's something that gets you excited about coming to the club?

BILL MELVIN: "Seeing my friends and having the opportunity to test my skills"

QUESTION: What are you hoping to see happen at the club in 2022?

BILL MELVIN: "There is a lot of work to be done up front with all of the brush, so I hope to see a few volunteers help work on it. I also hope for some new events this year."

QUESTION: How do you feel about the direction the club is heading in?

BILL MELVIN: "Good. I think we're making progress. It's important to look ahead and try new things. I hope for an increase in memberships and participation."

PULLER OF THE MONTH

We are so excited to be able to recognize a different puller each month who showed exemplary work ethic, dedication, and exceptional hospitality to our members. In May, we put Mark McIntire in the spotlight to give him recognition for all his hard work!

Mark is finishing his junior year at Rockford High School. He has been with us here at KCCL for one year, but also enjoys shooting at Rockford Sportsman Club. His favorite clay sport is skeet. His favorite thing about working at KCCL is talking to members and building relationships with them. Outside of school and work, he enjoys hunting, fishing and lifting. After high school, he plans on entering a career in heating and cooling or some other trade.

Thank you for all your hard work, Mark!
