From the Managers

Dear KCCL Members

We are excited about the upcoming Winter League. Registration starts December 10 and early shooting begins on December 18 (details were sent to you via e-mail). We have members that are shooting in their 55th Winter League!!

We have also continued to optimize the Sporting Clays course and now have contracted with a member of the MSCA to set a new course on both Sporting Clays every three weeks. On 5-Stand we have 8 machines and plan on going to 16. We can then program an almost limitless number of menus, so we will always have new menus from which to choose for both courses. We continue to work the bugs out of the new electronic system and have made a number of improvements. Change is not always painless, but we feel confident it is for the better. We appreciate your patience throughout this process.

As you can see, the caption on this column has changed. We have two Managers and an Assistant Manager now. The two Managers are Kim Williams and Mat Peabody; the Assistant Manager is Hunter Derenski. Kim will focus on policy issues and community interface, and Mat will focus on operations. All three will be versed in all areas. We feel the overlap will be beneficial to help us better manage individuals' time and to ensure continuity and succession planning.

Thank you,
Mat, Kim and Hunter

VOLUNTEERS

A special thanks for all who volunteer. The front floor porch and the table re-covering were the product of Craig Priebe, Bill Melvin, Larry Mennetti, and others.

Cleaning up of SC, placing all the stations at ground level were the result of a lot of people working together as well. Jim Widdis, James Palma, Craig Priebe, Bill Melvin, Larry Mennetti, Marty Boltres, and others.

The skeet houses repainting involved Craig Priebe, Chip Wood, Sarah DeKam, and others.

Maintenance and upgrading of pistol and rifle were aided by Mike Novy, the RSO's, and others.

The road maintenance benefited from the volunteerism of Jim Widdis, Vic Scudder, Tim Moore, and others.

A lot of the original work in the clubhouse and the ranges was done by Kevin Clapp and Larry Mennetti and others.

Throughout the facility there is the continuous labor of the puller staff making sure that things are clean and safe. We are also very grateful for the unwavering support, responsiveness and availability of Jim Widdis.

Thanks also to Ken Groeneveld for his patience and expertise making all the machines more reliable.

We appreciate Bob Jordan and Ken Groeneveld for picking up ammo in Otsego as well.

The kitchen was cleaned and organized largely due to the efforts of Craig Priebe, Bob Jordan, and others.

It is impossible to thank everyone and we hope that the "and others" covers a lot of ground.

Know that the club appreciates (or should) the efforts of all who contribute.
